

MAGNETIC POCKETS SC TYPE

Magnetic envelopes with **clear pockets** are ideal for displaying documents such as rosters, manuals and notices in work environments such as **warehouses, production lines** and **offices**.

The neodymium magnets in the upper flap ensure **secure attachment** to metal surfaces, even in the presence of vibrations or shocks. Upon request, a plastroferrite magnetic striker can be added on the bottom for greater stability.

These envelopes can be supplied in **different colours**: grey, blue, red, green, yellow.
