

Type MPF2

[Grinding](#) [EDM](#) [Metrology](#) [Laser welding](#)

- Circular magnetic chuck with **NEODYMIUM** magnets
- Low magnetic field
- Fine pole pitch
- Suitable for precision machining and thin workpieces

Included with purchase:

- 1 actuating key

Pole pitch: 2 mm (0.5 mm brass, 1.5 mm steel)

Normal force: 95 N/cm²

Admissible wear of top plate: 5 mm

Magnetic field height: 4 mm
